Refreshing, tantalizing and delicious will come to mind after drinking a glass of this Riesling. On a hot summer day, nothing would be better.

TASTING NOTE
by Winemaker
JOHN FREEMAN

Lush and fruity with stone fruit blossoms aromas, white peach and tangerine flavors are accented by honeyed notes. The long and supple finish balances sugars with mouthwatering acidity, revealing layers of lemongrass and dried apricots.

VINTAGE NOTE

The warmest vintage in a decade, 2013's growing season cooled off just in time for harvest, and picking proceeded at a normal pace starting at the end of August. Total tonnage, approximately 220,000 tons, was up easily five percent over 2012, a record for Washington State. With a warm 2013 vintage, growers spread out canopies a bit more than usual and adjusted crop sizes to achieve a good balance of acidity and phenolic ripeness. Mother Nature made picking advantageous; varieties reached ripeness at different times, allowing crews a well-phased, thoughtfully-planned harvest.
