Pinot Gris

COLUMBIA VALLEY

VINTAGE NOTE

The 2015 Washington state harvest will go down in history as the vintage where parts of the state persevered above irrigation restrictions, several 100-degree days, and a few late-season regional wildfires that spared growers from any problems. It will also be noted as the year with a record surge in growing degree days, a harvest that started early and ended by mid-October, and a bounty that surpassed even the 227,000-ton record set during the 2014 Washington harvest. Fruit flavors from this harvest are concentrated and intense, with moderate berry size, excellent phenolic ripeness and balanced acidity.
