CABERNET SAUVIGNON

COLUMBIA VALLEY

### VINTAGE NOTE

The 2014 Washington State harvest proved to be spectacular with a record crop level and excellent quality. All factors needed for success came together perfectly: cool nights, lots of warm weather in the growing season, and rain limited mostly to the shoulder seasons. Harvest started the third week of August and wrapped in the second week of November. The crop across the state was heavy, yet bountiful with quality. Our vineyard team enjoyed weather that enabled them to pick at will, affording perfect flavor, acidity and sugar levels.

Grape Source: Mirage, Blackrock, Summit View

Variety Percentage: 100% Cabernet Sauvignon

Harvest Date: Oct. 7–26, 2014

### TASTING NOTE

Aromatics of cocoa meld with rustic notes of dusty earth and leather. This wine has plenty of tannins with dark and rich flavors of chocolate, mineral and flint, mellowed out by mixed berry pie. The lingering finish shines with cigar box, cedar and plenty of dark fruit.
