## *Sangiovese Rosé*

COLUMBIA VALLEY

### VINTAGE NOTE

The 2015 Washington state harvest will go down in history as the vintage where parts of the state persevered above irrigation restrictions, several 100-degree days, and a few late-season regional wildfires that spared growers from any problems. It will also be noted as the year with a record surge in growing degree days, a harvest that started early and ended by mid-October, and a bounty that surpassed even the 227,000-ton record set during the 2014 Washington harvest. Fruit flavors from this harvest are concentrated and intense, with moderate berry size, excellent phenolic ripeness and balanced acidity.

### TASTING NOTE

Ruby red in hue, this rosé offers strawberry and mixed melon aromas and flavors with a flinty, mineral-driven finish. Juicy and mouthwatering, the wine finishes clean with refreshing acidity. Serve chilled. The Sangiovese fruit, with its inherently spicy kick, makes it a great suitor for almost any meal, but this is an easy wine to enjoy on its own.
