WALLA WALLA, WASHINGTON

• 2016 •

## *Sangiovese Rosé*

COLUMBIA VALLEY

### VINTAGE NOTE

The 2016 Washington state growing season started quickly with warm temperatures that created vigorous vine development. Through May and June, daily temperatures looked as if they would outpace the record-setting 2015 vintage, but by the end of June temperatures had cooled considerably and summer continued with optimal growing conditions for fruit maturation in the vineyards. In late summer, rains came to the vineyard and helped ease vine stress, while the vineyard teams worked tirelessly to ensure the canopies and fruit clusters were managed to ensure top quality fruit production. In the end, the 2016 harvest will go down as another record-setting year for our estate vineyards and Washington as a whole.

### TASTING NOTE

Pink salmon in hue with fragrant aromas of strawberry, cranberry and a hint of honeydew melon. Bright clean acid leads to a lingering finish of peach with a hint of graphite. A delicious Rosé to enjoy chilled or served at 55-60° F to showcase its many layers.
